Day 1

We board our private executive coach and depart from our designated pick up points. En route to our hotel we visit the home of the Queen's cousin, the Earl of Harewood. Located just outside Leeds, Harewood House is renowned for its stunning architecture, exquisite Adam interiors and Chippendale furniture and a fine art collection. All are set in a 1,000 acre Capability Brown landscape with a modern bird garden. We then continue to the centrally located 4* Copthorne Hotel at Newcastle where we stay four nights. Dinner is included in our hotel this evening, and at Browns Restaurant on our last night, whilst the remaining two nights are on a bed and breakfast basis. We enjoy a welcome drink in our hotel prior to dinner this evening.

Day 2

Our guided tour of Newcastle with our Blue Badge guide this morning takes in sights such as 'The Sage' and Gateshead Millennium Bridge. We then visit the Laing Art Gallery, home to a wonderful collection of British and European paintings, sculpture, prints and drawings. We continue to The Biscuit Factory, the UK's largest commercial art, craft and design gallery set in the heart of Newcastle's cultural quarter. Housed in a former Victorian warehouse, the beautiful and dynamic gallery spaces set over two floors, display a range of exciting contemporary fine art, sculpture, original prints and jewellery. We enjoy a guided walking tour of Durham this afternoon with our Blue Badge guide. During our tour we have an included guided tour at the Cathedral, once described as 'one of the great architectural experiences of Europe' and a renowned masterpiece of Norman architecture. En route back to our hotel we visit Antony Gormley's The Angel of the North. Since spreading its wings in February 1998, The Angel of the North has become one of the most talked about and recognisable pieces of public art ever produced, winning many accolades and awards along the way.

Day 3

We visit the National Trust's Lindisfarne Castle on Holy Island with our Blue Badge guide this morning, a romantic 16th century castle with spectacular views that was transformed by Lutyens into an Edwardian holiday home. Alnwick Gardens is our destination this afternoon. The Duchess of Northumberland's vision was to create a beautiful public space accessible to everyone, and the garden is now halfway to completion featuring spectacular water displays, wonderful gardens and one of the largest tree houses in the world.

Day 4

The morning is at leisure in Newcastle, and on an individual basis you may choose to stroll on the Quays and maybe visit the Baltic Centre, the international centre for contemporary art housed in a former 1950s grain warehouse in Gateshead. With our Blue Badge we visit the National Trust's Cragside House and Gardens this afternoon, a wonderful Victorian mansion dating from the 19th century and described as 'the palace of a modern magician'. Its interior features state of the art hydraulics powering a revolutionary lift system and internal telephones which mesmerised visitors in its time. We enjoy an included farewell set three course dinner at Browns Restaurant this evening (drinks to be paid for).

Day 5

After checking out of our hotel and en route home we visit The Bowes Museum for a guided tour. This purpose built public art gallery was created by John and Josephine Bowes between 1862 and 1875 and is home to a large collection of fine and decorative paintings from around Europe.

NB:- Please note we reserve the right to alter the above itinerary if required for operational reasons. Given the historic nature of the places visited, a certain degree of walking will be involved, and this tour may not be suitable for those with mobility problems.
